ANNUAL REPORT TO DONORS

2015/16 was a year to celebrate. April 8, 2015 marked the 10th anniversary of the opening of the West Parry Sound Health Centre. The Foundation was determined to rejoice in our donors who are an integral part of the team. We suppressed our dominant 'ask gene' and gave back instead! Exactly 10 years after the Health Centre's opening, the Foundation e-blasted a musical video full of gratefulness featuring staff crooning to our donor team, "You've Got a Friend in Me!"

MAY 2015, two Carling cottagers, Carolyn Keystone and Jim Meekison hosted the launch of the Northern Angel Council in a private party at their stunning Toronto home. Debbie Bongard, Foundation Board Member and longtime Pointe au Baril cottager is Chair of the Council. With summer parties booked through July and August, the Foundation met many new donors. By December, our new Council achieved over \$2,000,000 pledged for five years all for the great cause of keeping hospital care local. Now that's worth celebrating!

JUNE 2015, Joe and Fatima Bamford regaled us with Blue Rodeo in the Bobby Orr Concert Bowl. Proceeds from the concert bought a large tool kit for orthopedic surgery, a key component of the \$266,000 worth of surgical equipment the Foundation was committed to buying in 2015/16.

June marked the 6th month anniversary of our donor funded palliative suites. The response from the community has been gratefulness; the tender response from the families using the suites has been heartwarming. To celebrate the anniversary, Carling resident and artist Jane Jones donated a large scale tryptic of birch in winter. By the end of the year, a fifth patient room was added to the suites with a donation from the Freemasons of Parry Sound. This brings the entire wing to 5 patient rooms, a living room and a dining room. The suites are designed to bring comfort to dying patients and their families.

JULY 2015, three golfers from the Ridge, Craig Lindsay, Paul de Vries and Mike Lynch organized our first Ridge Hospital Classic Golf Tournament. The day was a spectacular experience with proceeds of \$20,339.77 buying key equipment for the Operating Room equipment on the Foundation's \$266,000 list!

AUGUST 2015 brought a terrific new addition to our Obstetrics Department ... a \$37,000 baby warmer from Rexall! Then later in the fall, the Foundation discovered that the roof over the Health Centre's surgery was failing. The Operating Room closed a few days in the winter of 2015 to extreme weather leaks. With another winter looming and the Health Centre completely out of money, the Foundation approved an additional \$70,000 to fund remedial action to secure the roof.

DECEMBER 2015, we received donations from our steadfast donors. We love opening the mail in December. And then, we received the heart-stopping phone call from the Family of Walling and Julia Ruby. The children of this long time cottaging couple in Pointe au Baril wanted to honour their parents' great love of the Bay. They discussed a matching campaign of \$500,000 to raise funds for our Northern Angel Council.

CLOCKWISE FROM TOP: Our local legion has bought \$102,441.54 worth of equipment. The Family of Walling & Julia Ruby. Brett & John LaGamba. Carolyn Keystone & Jim Meekison. Bamford Team brings Jose Feliciano.

Every penny counts at the Foundation, but this year our steadfast major donors accompanied by our new Northern Angel Council took us to new levels of support for local hospital care. A heartfelt thank you to:

FEBRUARY 2016, the match was confirmed!

APRIL 2016, the Lloyd Carr-Harris Foundation, a long time cottaging family in the Dunchurch area and steadfast supporters of local hospital care, funded new technical closets (to avoid a catastrophic breakdown in computer systems) and updated our Emergency communications from UHF to VHF (a mock disaster the previous fall revealed local emergency services were communicating on a different system and could not converse in the Health Centre).

MAY 2016, long time Lake Rosseau Cottagers John and Brett LaGamba hosted a Northern Angel Council party in Toronto at their newly opened Foodbar, PROVO. Northern Angels and future Angels came together to celebrate and learn about the Matching Gift Campaign. By mid-June 2016 the Family of Walling and Julia Ruby Matching Campaign had inspired over \$100,000 in new donations!

2015/16 was extraordinary. The Foundation pledged \$1.5 million in donations to the Health Centre and upped the amount pledged to \$1.6 million to include funding the roof. In 2015/16 donors funded a new \$1.1 million Picture Archive Communications System (PACS) for Diagnostic Imaging. This system houses all digital images amounting to 33,000 studies. And there is more! Foundation donors funded \$266,000 in surgical equipment plus a \$20,000 cardiac transfer monitor and bought two new \$29,000 Bi-PAPs (breathing assist) for ICU and Emergency. Together, we are keeping hospital care local.

Government doesn't fund equipment purchases. Donors do.

ENDOWMENT - THE FOREVER FUND

The Forever Fund, revenues from the Foundation's Endowment helps buy critical equipment year after year. Our patients and medical teams are forever grateful to the donors who are building this fund. Most of the donations have come through Wills, a Living Legacy of those who believed in local hospital care. The Foundation currently has \$2,600,000 in the Forever Fund realizing \$107,000 in dividend income to buy equipment.

SPECIAL EVENTS

Again, Foundation events anchored our fundraising plans. May 2016, our Georgian Bay Walk, Run, Pole realized revenues of \$53,000 bringing us to a grand total of \$615,580 in the 9 years of the event; the September 2015 Support the Girls Breast Cancer Golf Tournament realized revenues of \$32,789 to help fund mammography 3-d imaging and our recent Mosey & Mosey Youth Ball Hockey realized \$15,000 to support patient internet in the health centre.

Going strong for 7 years our annual Moose Radio-a-thon and their loyal listeners realized \$11,616 keeping hospital care local! Gifts through the 'Get Off the Bus Concerts' have reached \$125,000 to date!
