INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Directors of West Parry Sound Health Centre Foundation

Opinion

We have audited the financial statements of West Parry Sound Health Centre Foundation (the "Entity"), which comprise:

- the statement of financial position as at March 31, 2023
- the statement of operations and changes in fund balance for the year then ended
- the statement of cash flows for the year then ended
- and the notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements")

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at March 31, 2023, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibility under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Page 2

Responsibility of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, internal omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Page 3

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to the events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

Year ended March 31, 2023

The West Parry Sound Health Centre Foundation (the "Foundation") was incorporated under the laws of Ontario under the Canada Corporations Act. The Foundation is a registered charity under the Income Tax Act and, accordingly, is exempt from income taxes, provided certain requirements of the Income Tax Act are met.

The Foundation is principally involved in raising funds for the benefit of the West Parry Sound Health Centre (the "WPSHC"). The fund balances and operations of the Foundation are ultimately for the benefit of the WPSHC. The Foundation is a legal entity operating independently of the WPSHC and therefore these financial statements have not been consolidated with the WPSHC.

1. Significant accounting policies:

These financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CPA Canada – Handbook - Accounting. The Foundation's significant accounting policies are as follows:

(a) Basis of presentation:

In order to ensure observance and restrictions placed on the use of resources, the accounts are maintained in accordance with the principles of fund accounting.

The General Fund accounts for the Foundation's program delivery, fundraising and administrative activities. This fund reports unrestricted resources.

The Restricted Fund reports resources where either donor or internal restrictions require that the principal be maintained by the Foundation for a period of time.

The Endowment Fund includes those funds where donor restrictions require that the principal be maintained by the Foundation on a permanent basis.

The Designated Fund reports funds where resources are to be used for an identified purpose as specified by the donor, as stipulated by the fundraising appeal or as determined by the Board.

(b) Revenue recognition:

The financial statements are prepared according to the restricted fund method of accounting. Under this method, the following principles have been applied.

Restricted contributions received are recognized as revenue of the appropriate specific fund (Restricted, Endowment or Designated) in the year received since the related restriction generally prohibits the disbursement of the original capital.

Unrestricted contributions including donations are recognized as revenue in the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

(c) Contributed services:

Contributions of services are not recognized in the financial statements.

Notes to Financial Statements (continued)

Year ended March 31, 2023

1. Significant accounting policies (continued):

(d) Donated assets:

Donated assets consist of donated artwork and other non-depreciable property. Donated assets are recorded in the financial statements of the Foundation at the appraised valueand are not depreciated. Donated artwork is used for display throughout the WPSHC to enhance the environment for the benefit of patients, their families, staff and visitors.

(e) Use of estimates:

The preparation of the financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. These estimates are reviewed annually, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

(f) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Foundation has elected to carry its investments at fair value. Fair value is determined at quoted market prices.

Sales and purchases of financial instruments are recorded on the settlement date. Transaction costs incurred on the acquisition of financial instruments are expensed as incurred.

- (a) The WPSHC provides certain services to the Foundation and pays some expenses on behalf of the Foundation. The Foundation reimburses the WPHSC for all direct costs associated with services provided and expenses paid.
- (b) Amounts due to the WPSHC are non-interest bearing and due on demand. Transactions between the WPSHC and the Foundation are in the normal course of business and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

Notes to Financial Statements (continued)

Year ended March 31, 2023

7. Commitments:

The Foundation has made various commitments to the WPSHC. The amounts recorded are limited to actual transfers made.

8. Financial risks and concentration of credit risk:

The Foundation manages its investment portfolio to earn investment income and invests according to an Investment and Donated Securities Policy approved by the Board. The Foundation is not involved in any hedging relationships through its operations and does not hold or use any derivative financial instruments for trading purposes. There has been no change from 2022.

The Foundation believes that it is not exposed to significant interest-rate, market, credit or cash flow risk arising from its financial instruments. There has been no change from 2022. Additionally, the Foundation believes it is not exposed to significant liquidity risk as all investments are held in instruments that are highly liquid and can be disposed of to settle commitments. There has been no change from 2022.

9. Comparative information:

Certain comparative information have been reclassified to conform with the presentation adopted in the current year.
